M itey **TITAN** CATWALK STYLE PIPE RACKS

MTech Industries is a leading manufacturer of Catwalk Style Pipe Rack Units with extendable stairs and hand railed access to work basket, with extendable V-Door to guide tubulars while they are picked up from the deck and extendable Slide for emergency escape

HIGHLIGHTED FEATURES:

- ▲ Patent pending catwalk can be pulled behind a One Ton crew Truck
- ▲ Catwalk can be added to any Standalone Snubbing Unit, Service Rig or Drilling Rig whenever catwalk is not pre-existing
- ▲ Reduces hazards with elevated work platforms
- ▲ Double acting hydraulic cylinder used to extend/Retract V-Door and Slide together
- ▲ Pull back winches to guide telescoping in and out of all components
- ▲ Quick Rig-up time, less than 30 minutes in total from the time of arrival on site
- ▲ Height adjustment from 30 to 45 feet to reach any work platform
- ▲ Pipe Rack Jacks can be hydraulically controlled as an option
- ▲ Option of V-Door similar to Hydraulic Catwalks with gap between slide and stairs and complete hydraulics to run the Trough operation (please see hydraulic catwalk info)
- ▲ Mounting fixtures for storage and securing each component while traveling
- ▲ Option of wooden or steel deck as per client requirements
- ▲ Cost effective and all inclusive unit offers great value
- ▲ Customization as per client requirements
